

## REMOTE LEARNING

### Symphony Maths

All students in Years 7, 8 and 9 will be able to access the Maths online learning programme. I would like students to do approximately 30 minutes per day if possible.

### Accelerated Reader

All students have access to this online reading programme.

Students in Years 7, 8 and 9 should aim to read at least 30 minutes per day. Students in Years 10 and 11 have access to this programme also.

All you need to do is choose a book, read it online and complete the quiz.

We will be running small competitions between the year groups to see who has been reading the most words.

Last term we had a young lady in Year 7 who read over one million words!
